

JODY JENSEN SHAFFER

CHILDREN'S BOOK AUTHOR

Jody loves talking with students about reading, writing, and books!

For kindergartners and first graders, Jody shares how authors of all ages can get great ideas for stories. For second and third graders, she focuses on taking a great idea and forming it into a story and then a book. For fourth and fifth graders, she explores the writing process all authors use and gives students a sneak peek into the world of publishing, where students become agents and editors. Q&A follows each fun, interactive presentation.
